

Important Message to 2017-18 Intake Students about the Core Curriculum

The University had approved a new Core Curriculum structure for implementation in 2018-19. In view of the transition, it is vital that you pay careful attention to the offering time-frame of the phasing-out year-one and year-two common core courses.

First Year Students

(local & non-local)

Recommended study pattern

To be taken in 2017-18

To be taken in 2018-19

****Last offering year****

2017-18

CCC8001

2018-19

CCC8003

CCC8004

All students are strongly reminded that common core courses are designed to be taken in junior years instead of senior years for progression of knowledge building and skill development. During the transition years, any students of the old core curriculum structure who are unable to fulfill the respective common core requirements before 2018-19 will be required to apply for common core substitution with sound justifications, subject to the approval of the Director of CCGE on a case-by-case basis.

Senior Year Students

Exempted

As a senior year student designated at Year 3, you are strongly advised to fulfill the requirement of the two common core courses in your first year of study (i.e. 2017-18) for **timely graduation within 2 years**. According to the latest enrolment distribution, you are strongly advised to take the two required common core courses in the following **recommended pattern**:

2017-18

Term 1	Term 2
CCC8004	CCC8003

18 credits exempted

Take **one** cluster course from the “**Science, Technology and Society**” cluster, as appropriate.
